New Hampshire, USA
cameron@cameronaudet.com

EXPERIENCE

Industrial Traffic LLC / 4Walls Media Group, (subsidiary of Industrial Traffic) Bedford, NH

— **Full Stack Web Developer , Video Content Producer**

SEPT 2012 - MAY 2018.

Built and managed websites for a portfolio including local and national organizations ranging from small businesses to global industry leaders. Contributing to the full-spectrum of digital asset creation and delivery.

Boosted revenue to ongoing retainer clients by initiated responsive development frameworks and by collaborating with creative teams to concept and create video and photo content to be used in digital marketing campaigns.

Adapted the use of build process tools, Grunt, Gulp, and Webpack to decrease page load time by up to 40% on existing client websites. Created A/B test pages and analytics reports to contribute to AdWords, Retargeting, and Social Media Campaigns. Built custom templates for email marketing.
